The iuste recke-
nyng or accompt of the whole nomber of the yeares, from the beginnyng of the worlde vnto this presente yere of. 1547.

A certaine and sure declaracion that the worlde is at an ende.

Of the last day of iudgement, or day of Domes, and howett shal come to passe.

Translated out of the Germaine tonge into Englishe by Anthony Scoloker the. 6. daye of July. Anno Dñi. 1547.

Matthew. 25.

Watche therfore for ye knowe neyther the daye nor yet the howre when the sonne of man shall come.

¶ To the Reader.

FOrasmuch as many wri-
ters haue diuerslye wrye-
ten of the accompt of the
time. Here haste thou (gentle
reader) the iuste nomber of the
yeares from the beginnyng of
the worlde vnto this presēt yere
of. 1547. diligētly gathered out
of the Bible.

Here hast thou also a certaine
and sure declaracion that the
daie of dome is at hād: not that
we wil or can declare the very
houre, as Christ sayth. Actes. i.
But to the intēt that we shulde
be ready at all times as true &
faithfull seruātes which wait
for the cōmyng of their Lorde
for he shall not tary but come
very shortly. Therfore let vs
watche and pray for we knowe
neither houre nor time.
